

Local Custom Builder New Construction Non Exclusive, Royalty Free Licensing: Online and Local Print Use

Upon receipt of payment, ShowSpaces Photography LLC grants use of the images to the invoiced Builder for promotional purposes for an unlimited time including print in the local market and online.

This license is not transferable. Any commercial use of the images by a third party, including but not limited to architects, developers, other builders, stagers, designers, contractors, rental agencies, a listing agent, sellers, or buyers is strictly prohibited unless the builder is specifically credited in every instance of use. Any other independent use must be approved in writing with appropriate fees paid to ShowSpaces Photography LLC.

CoMarketing: On occasion, use of a Builder's imagery may be used in conjunction with a Developer, Architect or Representative for Sales in a Development. In such cases, the Builder must be specifically named, credited and engaged in a specific local mutual business venture in conjunction with the use of the imagery. If not, then the entity using the imagery is subject to a licensing fee to ShowSpaces Photography. If the Builder is engaged in comarketing they must notify the CoMarketer of this requirement. ShowSpaces Photography prefers to make contact with comarketing entity to communicate such parameters and offer a quote of the licensing of the imagery to be used independent of Builder credit.

Once the property is sold, the buyers may receive imagery files from the photographer free of charge with the written limitation of personal use only. Send us your buyer's name and email so we can send the image files with the personal use release.

ShowSpaces Photography LLC retains copyright of all imagery created. Please note, for all media delivered, the invoiced client is granted licensing, not ownership, upon payment bound by the licensing terms as invoiced. If further use is desired for additional time frames and/or uses by the client and/or another person or entity, ShowSpaces Photography LLC must be contacted for licensing fees and written permission.
